

LightCHAIR + **NEW**

COMPACT, FOLDABLE AND ADJUSTABLE

LIGHTCHAIR + is a compact power wheelchair, particularly comfortable thanks to its standard options and improved performance. It meets all the requirements to take it everywhere, even on a plane.

More comfort

Backrest tiltable by cylinder
Thermoformed padded seat cushion
Curved and retractable armrests
Liftable, non-slip, length-adjustable footrest

More security

Anti-tip wheels
Smart controller
Assisted braking
Front and rear reflective decals

More performance

2 motors of 250W
Large 14" rear wheels
Crossing: 40mm

More resistance

Structure in anti-corrosion aluminum alloy and facilitates maintenance.

More freedom

2 Lithium aircraft-type batteries as standard
Power folding by remote control

› Compact and foldable

Power folding by remote control.

› Joystick

Simple and intuitive control. Joystick adjustable in length.

› Backrest tiltable

Reclining backrest by cylinder for more precise positioning.

› Autonomy

Large 14" rear wheels for better crossing and greater autonomy.

Backrest tiltable by cylinder

Thermoformed padded seat cushion

Curved and retractable armrests

Large 14" rear wheels

2 Lithium aircraft-type batteries

Length-adjustable footrest

› Technical characteristics

Accessibility	indoors and outdoors on smooth floors
Configuration	2 rear wheel drive
General dimensions	length: 1100 mm with footrest
	width: 620 mm
	height: 980 mm
Folded chair dimensions	335mm x 620mm x 870mm
Seat width	440mm
Seat depth	450mm
Armrest height (from seat)	front: 230 mm / rear: 200 mm
Seated height (from the ground)	front: 550 mm / rear: 520 mm
Space between armrests	490mm
Backrest height	480mm
Battery weight	2 x 1.115 kg
Chair weight	32 kg
Chair weight without batteries	29.7kg
Maximum user weight	120kg
Speed	6km/h
Braking distance	70cm
Turning radius	80cm
Static stability	6°
Dynamic stability	6°
Slope ability	6°
Maximum slope	8°
Obstacle crossing	4cm
Autonomy	25km
Engines	250W x 2
Lithium batteries (airplane)	24V 6Ah x 2
Battery charging / Duration	external and by joystick / 6 h
Front wheels	200x50mm
Rear wheels	325x55mm
