

THE ROBUST HIGH-END SIX WHEELER.

ALLTRACK M HD is a median traction electric wheelchair which allows the user to easily bypass everyday obstacles all the while offering an unequaled stability and high-end comfort.

It is dedicated to people of a strong build who enjoy spending time outdoors, and still comfortably maneuvering indoors.

› Maneuverability

Median traction configuration.

› High-end comfort

Interactive suspension for the 6 wheels and the seat provide greater stability, mobility and comfort.

› Control

CJS2 Joystick and keyboard (optional) to facilitate driving and secure the use of different positions.

› Ebox technology

Mastery of intelligent cylinders and positional programming of the wheelchair.
